SALDANHA BAY MUNICIPALITY

SEWERAGE CROSS SECTION / DRIVEWAY

I, ... (Full name),

architect / architectural technologist / draftsman of plan of erf .....,

in the town area of .....,

hereby declare for Mr / Mrs / Miss..... that:

1) the ground levels, as indicated on the sewerage plan cross sections, was surveyed by me and are correct;

2) that no posts, poles, electrical kiosks, cabinets, switching units or miniature substations, stormwater inlets or any other structures are found where the driveway must be provided.

I will accept full responsibility if any additional costs are incurred, or the consent of affected owners need be obtained, because of faulty levels on cross sections, or if any of the abovementioned has to be changed or removed because of the position of the driveway.
