(Report of the Directorate Office of the Municipal Manager)
(H Mettler)

The Speaker informed the meeting of an email received from the ANC Chief Whip, Councillor T. Rossouw that the party will not participate in the meeting. Councillors T. Rossouw and G. Cleophas left the meeting before the voting commenced.

The Municipal Manager, Mr. H. Mettler, gave an overview of the five individual items and highlighted why the services are required, what caused the delays, and how the administration will deal with similar matters in the future.

Councillor, Ms. Y. Jackson, noted that the NCC supports service delivery, but is concerned that the items may be linked to recent media reports that the HAWKS are investigating contract extensions under section 116 of the MFMA.

The Speaker, O. Daniels responded, confirming that this is merely allegations and that the Municipal Manager, Mr H. Mettler responded to the media enquiry.

Councillor Y. Jackson requested that the Municipal Manager provide all councillors with a copy of the municipality's official media statement on the matter.

Councillor, Mr. W. Morrison, stated that the PA supports service delivery but called for greater consequence management. He said there appears to be a lack of accountability and requested full disclosure on the causes of the delays and the reasons the timelines were not met.

Councillor Mr. A. Jansen echoed Councillor Morrison's concerns. He said the Council is being used to resolve problems caused by the Administration. In response, the Municipal Manager explained that the legislation allows contracts to be extended under section 116 of the MFMA and stressed that there is no intention to misuse the Council.

The item was voted on, and the results were as follows;

- 21 For; and
- 1 Abstained.
