CONDITIONS

- The refuse container remains the property of the Municipality but, the safekeeping thereof is the responsibility of the property owner or tenant.*
- It is the responsibility of the owner of each property to apply for a refuse container once the occupation certificate is received from Town Planning Department. The owner will be obligated to pay a deposit fee which was approved by council for each refuse container; this clause is only applicable for new constructed houses/buildings. Refuse removal tariffs will be charged as if a container is on site from the date of occupation.*
- In the event of a container going missing the property owner or tenant should report the loss to the SAPS and the Council's Engineering Department at telephone number [022] 701 7079. An affidavit will have to be submitted with application form. The container will be replaced by Council and should negligence on the side of the property owner or tenant be found the cost will be recovered from the property owner or tenant.*
- Should a container be damaged on purpose or due to negligence by the owner or tenant of the property it will be replaced by the Municipality and the cost will also be recovered from the property owner or tenant.*
- The amount due to the Municipality in respect of services supplied shall be payable monthly on or before the 15th day of the month following the month during which the services were supplied. The municipality may charge interest on arrear balances of 30 days or more from the date of invoice. Interest is levied at prime rate plus 1%*
