CLASS OF 2026

Dear Class of 2026,

To all our matriculants across Saldanha Bay Municipality, as you begin your final examinations, I want to wish you strength, focus and success.

You have reached an important milestone. The journey to this point has required commitment, discipline and perseverance, and now is the time to remain calm, trust yourself and give each examination your best effort.

To our parents, teachers and guardians, thank you for standing alongside our young people and encouraging them throughout the year. Your support has played an important role in getting them to this point.

To the Class of 2026, remember that these examinations are not only about the marks you achieve, but also about the doors they can open for the next chapter of your life. Whether you pursue further studies, enter the workplace, start a business or follow another path, I encourage you to believe in your abilities and make the most of every opportunity.

As the Executive Mayor, I am proud of the young people of our municipality and I wish each of you the very best as you take on this final stretch.

“ Stay focused, believe in yourself and finish strong.

All the best, Class of 2026. May your efforts be rewarded and may this be the beginning of an exciting new chapter in your lives.

Alderman Marius Koen
Executive Mayor: Saldanha Bay Municipality
