

# **NOTICE OF MEETINGS ON ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT (ESIA) IN PATERNOSTER, ST HELENA BAY, SALDANHA AND LANGEBAAN**

## **PROPOSED WELL DRILLING EXPLORATION ACTIVITIES IN BLOCK NORTHERN CAPE ULTRA DEEP WEST COAST OF SOUTH AFRICA**

Follow-ups to the Environmental and Social Impact Assessment (ESIA) meetings on the Shell Exploration Drilling project which took place in July 2024 in Saldanha Bay Municipality will be held as follows:

- **Saturday 23 November from 10h00 to 15h00 at Paternoster e-Centre Hall**
- **Monday 25 November from 14h00 to 19h00 at Steenberg's Cove Community Hall**
- **Tuesday 26 November from 14h00 to 19h00 at White City MPC, Saldanha**
- **Wednesday 27 November from 14h00 to 19h00 at Seebries Hall, Langebaan**

**You can come at any time that is convenient for you.**

Public Open Days will be held at the above dates, times and venues where you will be able to look at maps, posters and a video explaining the findings of the environmental studies and talk to members of the ESIA team or Shell to ask questions about the impacts of the project.

People can arrive at any time within the above timeframes and stay for as long as they want. You should not need more than one to two hours to look at all the information and ask your questions.

**If you have any questions please contact SLR via WhatsApp or SMS on 076 402 1409**
