

JULY 2026 DECLARED FINE FREE

In commemoration of Mandela Month, Saldanha Bay Municipality's Library Services declares July 2026 as **Fine Free** in all nine municipal libraries.

This will allow residents the chance to return overdue material to all libraries within the municipal area.

No fines will be assessed if you return your past-due library materials during the month of July.

All fines incurred for materials that have already been returned must be paid in full.
