LOCAL ECONOMIC DEVELOPMENT (LED) DEPARTMENT YOUTH DATABASE REGISTRATION DRIVE

Calling all **YOUTH** between the ages of **18 – 35!**

The Saldanha Bay Municipality Local Economic Development (LED) Department is currently in the process of establishing a Youth Database for the Saldanha Bay Municipal area and calling on all young people between the ages of 18 and 35 to submit their information and become part of the official SBM Youth Database.

WHY Register?

The database will assist the Municipality to:

- ✓ Understand where young people are **located** within the municipal area;
- ✓ **Identify** what youth are currently involved in;
- ✓ Understand youth skills, qualifications, and **interests**;
- ✓ **Improve** planning and informed decision-making; and
- ✓ Facilitate youth-driven **support programmes**, opportunities, training initiatives, employment interventions, and development projects.

HOW to Register

The LED Department has created a short online survey and will be collating data at all towns in the municipal area.

Link to survey

<https://forms.gle/a4sfcig8Ee31cHq66>

There will also be online options which will be distributed across various platforms including:

- WhatsApp Channels
- Social Media Platforms
- Municipal Website: LED Page
- Libraries
- Youth Centres
- Thusong Centres

WHAT Information Will Be Collected?

Education and qualifications

Skills and experience

Employment status

Sector interests

Training needs

Contact information

BE part of the Future!

Your information matters. Your participation helps shape future youth opportunities in the Saldanha Bay municipal area. Stakeholders interested in exhibiting and sharing their opportunities with young people are requested to contact the Local Economic Development Unit:
