U2E PROJECT - SKILLS CATEGORIES

PRINCIPLES AND CONDITIONS FOR THE USING OF THIS DATA SOURCE

1. The purpose of this database is to create a link between unemployed people and prospective employers;
2. This data base is not an attempt to glorify temporary work, and SBM together with other role stakeholders will endeavour to guide unemployed people to entrepreneurship where possible;
3. This information is not the intellectual property of Saldanha Bay Municipality (SBM) but belongs to the individual unemployed people;
4. SBM does not act or aims to be a labour broker and receive no commission of fees for hosting the data of unemployed people on this website, nor is SBM involved in any work agreement between the unemployed person and a prospective employer;
5. SBM is not replacing the role of the Department of Labour, but is assisting in trying to limit unemployment and people standing on the street, looking for work;
6. SBM will not and cannot be party to a dispute that may arise between an unemployed person doing work for a temporary employer, and will not mediate or arbitrate any potential employment dispute that may arise.
7. SBM will on a monthly basis update the data to ensure correct information and contact details;
8. Please rate a person that have done some temporary work for you on the form below and email to Abe.duplessis@sbm.gov.za or take a photo of the completed form and send it to 083 231 4581. This will assist other potential employers to select a suitable person to work for them.
