How to register on the Electronic Vaccination Data System (EVDS)

People 50+ years and older must register to receive their free COVID-19 vaccine.

Step 1

You will need:
*ID/Passport/Refugee number *Smartphone, tablet or computer

Step 2

You can register via WhatsApp by sending the word 'Register' to 060 012 2456 OR Dial *134*832*1D Number# No ID Number? Just Dial *134*832# OR use the internet go to: <https://vaccine.enroll.health.gov.za/#/>

Step 3

The welcome screen will tell you what to do next

Step 4

Follow the instructions to complete your registration

Step 5

When you have registered, the EVDS system will send a SMS to the phone number you provided. You will receive a second SMS to tell you when and where you will get your vaccination.

If you don't have a cellphone or access to the internet, ask someone you trust to help you. You can use their cellphone number to receive your vaccination information.

*Although registration opens 1 July, over 50-59 year olds will start getting vaccinated from 15 July onwards.

For more information on registration and vaccination, please contact the call centre on 0860 142 142.

Stay safe by letting COVID out and allowing fresh air in - open up windows and doors.

COVID SPREADS THROUGH THE AIR

50 - 90 YEARS VACCINATION FAQ

Has registration opened for people of 50 years and older?

Yes, people 50 years and older who want to receive the vaccine can now register on the available platforms.

Will people aged 50 - 59 years receive their appointments now?

Yes, the EVDS system will start allocating available appointments as from 5 July 2021.

What about people of 60 years and older who have still not received their 2nd SMS, will they be prioritised?

Yes, people aged 60 years and older will be prioritised over those of 50 – 59 years. We ask that those older than 60 who have not received their first dose to please come to a vaccination site as a walk-in, where they will receive their vaccination.

Will people of 60 years and older who must receive their second dose be prioritised over people aged 50 – 59 years? Yes, our current priority is those above 60 years, for both their first and second dose of the vaccination.

Will sites assist walk-in people aged 50 – 59 years who are registered? Yes, if the site has enough vaccines, you will be assisted. However, those with appointments will be assisted first.
