CHAPTER 1

IMPLEMENTATION OF SUPPLY CHAIN MANAGEMENT POLICY

2. Supply chain management policy

- 1) All officials and other role players in the supply chain management system of the Saldanha Bay Municipality must implement this Policy in a way that –
 - a) gives effect to –
 - i) section 217 of the Constitution; and
 - ii) Part 1 of Chapter 11 and other applicable provisions of the Act;
 - b) is fair, equitable, transparent, competitive and cost effective;
 - c) complies with –
 - i) the Regulations; and
 - ii) any minimum norms and standards that may be prescribed in terms of section 168 of the Act;
 - d) is consistent with other applicable legislation;
 - e) does not undermine the objective for uniformity in supply chain management systems between organs of state in all spheres; and
 - f) is consistent with national economic policy concerning the promotion of investments and doing business with the public sector.
- 2) This Policy applies when the Saldanha Bay Municipality
 - a) procures goods or services;
 - b) disposes goods no longer needed;
 - c) selects contractors to provide assistance in the provision of municipal services otherwise than in circumstances where Chapter 8 of the Municipal Systems Act applies; or
 - d) selects external mechanisms referred to in section 80 (1) (b) of the Municipal Systems Act for the provision of municipal services in circumstances contemplated in section 83 of that Act.
- 3) This Policy, except where provided otherwise, does not apply in respect of:
 - a) the procurement of goods and services contemplated in section 110(2) of the Act, including –
 - i) water from the Department of Water Affairs or a public entity, another municipality or a municipal entity; and
 - ii) electricity from Eskom or another public entity, another municipality or a municipal entity.

3. Amendment of the supply chain management policy

- 1) The accounting officer must –
 - a) review annually the implementation of this Policy; and
 - b) when the accounting officer considers it necessary, submit proposals for the amendment of this Policy to the Saldanha Bay Council.
- 2) If the accounting officer submits proposed amendments to the Saldanha Bay Council that differs from the model policy issued by the National Treasury, the accounting officer must -

- a) ensure that such proposed amendments comply with the Regulations; and
 - b) report any deviation from the model policy to the National Treasury and the relevant provincial treasury.
- 3) When amending this supply chain management policy, the need for uniformity in supply chain practices, procedures and forms between organs of state in all spheres, particularly to promote accessibility of supply chain management systems for small businesses must be taken into account.
 - 4) The accounting officer will in terms of section 62(1)(f)(iv) of the Act take all reasonable steps to ensure that the municipality implements this Policy.

4. Delegation of supply chain management powers and duties

- 1) The Saldanha Bay Council hereby delegates all powers and duties to the accounting officer, which are necessary to enable the accounting officer –
 - a) to discharge the supply chain management responsibilities conferred on accounting officers in terms of –
 - i) Chapter 8 or 10 of the Act; and
 - ii) this Policy (SCM Policy);
 - b) to maximize administrative and operational efficiency in the implementation of this Policy;
 - c) to enforce reasonable cost-effective measures for the prevention of fraud, corruption, favouritism and unfair and irregular practices in the implementation of this Policy; and
 - d) to comply with his or her responsibilities in terms of section 115 and other applicable provisions of the Act.
- 2) Sections 79 and 106 of the Act apply to the sub-delegation of powers and duties delegated to an accounting officer in terms of subparagraph (1).
- 3) The accounting officer may not sub-delegate any supply chain management powers or duties to a person who is not an official of Saldanha Bay Municipality or to a committee, which is not exclusively composed of officials of the Saldanha Bay Municipality.
- 4) This paragraph may not be read as permitting an official to whom the power to make final awards has been delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 25 of this Policy.

5. Sub-delegations

- 1) The accounting officer may in terms of section 79 or 106 of the Act sub-delegate any supply chain management powers and duties, including those delegated to the accounting officer in terms of this Policy, but any such sub-delegation must be consistent with subparagraph (2) of this paragraph and paragraph 4 of this Policy.
- 2) The power to make a final award –
 - a) above R10 million (VAT included) may not be sub-delegated by the accounting officer;
 - b) above R300 000 (VAT included), but not exceeding R10 million (VAT included), may be sub-delegated but only to –

- i) a bid adjudication committee of which the chief financial officer or a senior manager is a member.
- 3) An official or bid adjudication committee to which the power to make final awards has been sub-delegated in accordance with subparagraph (2) must within five working days of the end of each month submit to the official referred to in subparagraph (4) a written report containing particulars of each final award made by such official or committee during that month, including–
 - a) the amount of the award;
 - b) the name of the person to whom the award was made; and
 - c) the reason why the award was made to that person.
- 4) A written report referred to in subparagraph (3) must be submitted –
 - a) to the accounting officer, in the case of an award by –
 - i) a bid adjudication committee of which the chief financial officer or a senior manager is a member; or
 - b) to the chief financial officer or the senior manager responsible for the relevant bid, in the case of an award by –
 - i) a bid adjudication committee of which the chief financial officer or a senior manager is not a member.
- 5) Subparagraphs (3) and (4) of this policy do not apply to procurements out of petty cash.
- 6) This paragraph may not be interpreted as permitting an official to whom the power to make final awards has been sub-delegated, to make a final award in a competitive bidding process otherwise than through the committee system provided for in paragraph 25 of this Policy.
- 7) No supply chain management decision-making powers may be delegated to an advisor or consultant.

6. Oversight role of council

- 1) The Saldanha Bay Council reserves its right to maintain oversight over the implementation of this Policy.
- 2) For the purposes of such oversight the accounting officer must –
 - a) within 30 days of the end of each financial year, submit a report on the implementation of this Policy and the Preferential Procurement Policy to the council of the municipality; and
 - b) whenever there are serious and material problems in the implementation of this Policy, immediately submit a report to Council.
- 3) The accounting officer must, within 10 working days of the end of each quarter, submit a Service Delivery Budget Implementation Plan report on the implementation of the Supply Chain Management and Preferential Procurement Policy to the mayor.
- 4) The reports must be made public in accordance with section 21A of the Municipal Systems Act.

7. Supply chain management unit

- 1) Saldanha Bay Municipality has a Supply Chain Management Unit to assist the accounting officer to implement this Policy.
- 2) The supply chain management unit operates under the direct supervision of the chief financial officer or an official to whom this duty has been delegated in terms of section 82 of the Act.

8. Training of supply chain management officials

- 1) The accounting officer shall ensure that all persons involved in the implementation of this Policy meet the prescribed competency levels, and where necessary, shall provide training.
- 2) The training of officials involved in implementing this Policy shall be in accordance with Municipal Regulations on Minimum Competency Levels, 2007 Treasury guidelines on supply chain management training.

CHAPTER 2

9. Format of supply chain management system

- 1) This Policy provides systems for –
 - a) demand management;
 - b) acquisition management;
 - c) logistics management;
 - d) disposal management;
 - e) risk management; and
 - f) performance management.

Part 1: Demand management

10. System of demand management

- 1) Demand management shall translate the municipal Integrated Development Plan and Service Delivery Budget Implementation Plan into current and future needs in order to cost and budget for it.
- 2) The demand management system must –
 - a) include timely planning and management processes to ensure that all goods and services required by Saldanha Bay Municipality are quantified, budgeted for and timely and effectively delivered at the right locations and at the critical delivery dates, and are of the appropriate quality and quantity at a fair cost;
 - b) take into account any benefits of economies of scale that may be derived in the case of acquisitions of a repetitive nature;
 - c) provide for the compilation of the required specifications to ensure that its needs are met;
 - d) to undertake appropriate industry analysis;
 - e) research to ensure that innovations and technological benefits are maximized;
 - f) incorporate green procurement as far as reasonably possible for all specification of goods, services and construction works; and
 - g) take requirements set for appointment of consultant in consideration.
- 3) Major Activities in Demand Management
 - a) Demand management lies at the beginning of the supply chain and the major activities associated with identifying demand are:
 - i) establishing requirements;
 - ii) determining needs; and
 - iii) deciding on appropriate procurement strategies.
 - b) Demand management accordingly shall involve the following activities in co-operation with all Directorates:
 - i) understanding the future needs;
 - ii) identifying critical delivery dates;
 - iii) identifying the frequency of the need;
 - iv) linking the requirement to the budget; and

- v) compilation of a procurement (bid) plan aligned with the above for whom the Directorates will take responsibility by submitting their bids according to the bid plan to ensure effective and sufficient service delivery.

Part 2: Acquisition management

11. System of acquisition management

- 1) The accounting officer must implement the system of acquisition management taking cost containment measures in consideration in this Part to ensure –
 - a) that goods and services, including construction works and consultant services are procured by Saldanha Bay Municipality in accordance with authorised processes only;
 - b) that expenditure on goods and services, including construction works and consultant services, is incurred in terms of an approved budget in terms of section 15 of the Act;
 - c) that the threshold values for the different procurement processes are complied with; and
 - d) that bid documentation, evaluation and adjudication criteria, and general conditions of a contract, are in accordance with requirements of relevant legislation including, the Preferential Procurement Policy Framework Act, and any conditions of the Construction Industry Development Board Act.

- 2) When procuring goods or services contemplated in section 110(2) of the Act (including water and electricity), the accounting officer must make public the fact that such goods or services are procured otherwise than through the Saldanha Bay Municipality supply chain management system, including -
 - a) the kind of goods or services; and
 - b) the name of the supplier.

12. Range of procurement processes

- 1) Goods or service may only be procured by way of –

Value of purchase (VAT inclusive)	Range of Procurement Processes

- n) Bid documentation must state that Saldanha Bay Municipality shall not be obliged to accept the lowest bid, any alternative or any bid. In other words, Council reserves the right not to award any tender or quotation.
- o) Alternative Bids:
 - i) Bid documentation may state that alternative bids can be submitted provided that a bid free of qualifications and strictly in accordance with the bid documents is also submitted.
 - ii) An alternative bid shall be submitted on a separate complete set of bid documents and shall be clearly marked “Alternative Bid” to distinguish it from the unqualified bid referred to above.
 - iii) Bid documentation shall state that Saldanha Bay Municipality will not be bound to consider alternative bids.
 - iv) Only an alternative bid submitted with the highest rank bid shall be considered during the evaluation of bids.
 - v) If the alternative bid of the highest rank acceptable bid is considered to have merit, then the alternative bid shall be ranked along with all of the acceptable bids received.
 - vi) An alternative of the highest ranked acceptable bid that is priced higher than the first ranked bid may be recommended for award, provided that the ranking of the alternative bid is higher than the ranking of the next ranked acceptable bid.

21. Public invitation for competitive bids

- 1) The procedure for the invitation of competitive bids is as follows:
 - a) Any invitation to prospective providers to submit bids must be by means of a public advertisement on the ePortal and in the newspapers commonly circulating locally, the website of the Saldanha Bay Municipality and on the official notice boards or any other appropriate ways; and
 - b) the information contained in a public advertisement or notice, must include –
 - i) the title of the proposed contract and the bid or contract reference number;
 - ii) the closing date for the submission of bids, which may not be less than 30 days in the case of transactions over R10 million (VAT included), or which are of a long term nature, a minimum of 14 days in any other case, from the date on which the advertisement is placed on the ePortal and in a newspaper, subject to subparagraph (2) of this policy (specific closing date and time for submission of bids);
 - iii) bids must only be submitted on the bid documentation provided by the Saldanha Bay Municipality;
 - iv) the required CIDB contractor grading for construction work;
 - v) functionality, if applicable;
 - vi) date, time and venue of any proposed site meetings or briefing sessions (*incl time when meeting will commence – if bidder arrives afterwards his bid will not be considered*);
 - vii) the place where the bid documentation is available for collection;
 - viii) the bid notice may require payment of a non - refundable deposit by bidders wanting to collect bid documents;
 - ix) this deposit shall be determined by the Municipality's council tariffs from time to time; and
 - x) the place where bids must be submitted.
- 2) The accounting officer may determine a closure date for the submission of bids which is less than the 30 or 14 days requirement, but only if such shorter period can be justified on the grounds of urgency or emergency or any exceptional case where it is impractical or impossible to follow the official procurement process. The monetary value and the complexity of the bid must be taken into account.
 - a) Amendments before the closing date
 - i) The municipality is entitled to amend any bid condition, validity period, specifications or plan provided that such amendments are advertised on the ePortal and website and/or that all bidders to whom bid documents have been issued, are advised in writing per email or fax of such amendments.
 - ii) It is the responsibility of the bidder to check on the ePortal and website of Saldanha Bay municipality for amendments (addendums) till the closing date of the bid and to ensure that the correct information is provided.
 - iii) All amendments must be approved by the Bid Specification Committee and Director who has initially approved the bid specifications after considering the reasons for the amendment.
 - b) Shortening of Closing dates (Period shorter than 2 weeks but not less than 5 working days)
 - i) The department must identify potential bidders, and where practical, post the bid documents, otherwise telephonically advise bidders to collect bid documents and inform them of the shortened bid process.
 - c) Extension of Closing dates (usually where complaints are received or where there was an error in the documents)
 - i) Bidders who had already collected bid documents must be informed of such extension.

- ii) New bid documentation that has not been collected yet, must bear a note informing the bidders of the extension.
- iii) If bids or quotations were already received, the bids or quotations will retain unopened in the bidding box and be duly considered after the expiry of the extended period, unless the bidder cancels it by submitting a later dated bid or quotation before the extended closing date.
- d) Bids submitted must be sealed on which it clearly stated that such envelope contains a bid and the contract title and contract or bid reference number for which the bid is being submitted.

3) All bids must be submitted in a sealed envelope.

22. Procedure for handling, opening and recording of bids

- 1) The procedures for the handling, opening and recording of bids, are as follows: -
 - a) Opening of Bids, –
 - i) at the specified closing time on the closing date the applicable bid box shall be closed.
 - ii) the bid box shall be opened in public as soon as practical after the closing time. bids received after the closing time should not be considered and returned unopened immediately.
 - iii) bids found to be inadvertently placed in the incorrect bid box will be redirected provided that the applicable bids either closed on the same day at the same time or are still open (in which case the Municipality disclaims any responsibility for seeing that the bids are in fact lodged in the correct bid box).
 - iv) immediately after the opening of the bid box, all bids shall be opened in public and checked for compliance.
 - v) the official opening the bids shall in all cases read out the name of the bidder, if practical, the amount of the bid, BEE status and locality of the bidder.
 - vi) as soon as a bid or technical proposal has been opened the bid/proposal shall be stamped with the official stamps, and endorsed with the opening official's signature,
 - vii) where prices have not been inserted in all relevant space on the form and such items have not been deleted by bidders, such spaces shall be stamped "no price" and initial next to the stamp by the employee opening the bids;
 - viii) the name of the bidder, and where possible, the bid sum shall be recorded in a bid opening record kept for that purpose, and
 - ix) the responsible official who opened the bid shall forthwith place his/her signature on the bid opening record and shall ensure that the bid opening record, the bid prices, and BEE status and locality, where applicable, are made available for public inspection and are published on the Municipality's official website.
 - b) Any bidder or member of the public has the right to request that the names of the bidders who submitted bids in time must be read out and, if practical, also each bidder's total bidding price;
 - c) No information, except the provisions in subparagraph (b), relating to the bid should be disclosed to bidders or other persons until the successful bidder is notified of the award; and
 - d) The accounting officer must –
 - i) record in a register all bids received in time;
 - ii) make the register available for public inspection;
 - iii) publish the entries in the register and the bid results on the website.

- e) The bidder shall choose a *dom cilium citandi et executandi* in the Republic and unless notice of the change thereof has duly been given in writing, it shall be the address stated in the bid.
- f) Site inspections (site meeting) or clarification meeting, -
 - i) Site inspections or clarification meetings, where applicable, will be compulsory.
 - ii) If site inspections or clarification meetings are to be held, full details must be included in the bid notice (*incl time when meeting will commence – if bidder arrives afterwards his bid will not be considered*). No grace period will be allowed.
 - iii) Where site inspections or clarification meetings are compulsory, the date, time and venue for the site inspection shall take place as determined by the department after the bid has been advertised and a certificate of attendance signed by the responsible agent must be submitted with the bid.
- g) Validity Periods
 - i) A minimum bid validity period will apply to all bids and will be calculated from the bid closure date. Bids shall remain in force and binding for the minimum bid validity period as indicated in the invitation to bid and the bid documents, subject to any other applicable legislation and instructions from the National Treasury for specific types of procurement.
 - ii) Unless otherwise indicated in writing by the bidder, the validity of bids submitted will automatically extend beyond the minimum bid validity period as set out in sub-paragraph (g)(i) above and will remain valid for acceptance until the bid award process, including the consideration of any appeals, objections or complaints, has been concluded.
 - iii) Any bidder may at any time withdraw their bid in writing in which case the bid will not be further considered.
 - iv) If an automatic extension clause is not included in a bidding document, the following will be applicable to the Extension of Validity period-
 - aa) Extensions must be done prior to the expiry date of the bid validity period;
 - bb) When validity lapses the contractual obligation that the bidder accepted on signing the relevant bid documentation falls away, therefore when a bid expires there is nothing to extend;
 - cc) It cannot be evaluated further and it must be cancelled and re-advertised;
 - dd) Reasons for extensions of bids must be investigated;
 - ee) Extensions must be granted based on good reasons and it must be approved by the Bid Adjudication Committee, Chief Financial Officer or the Municipal Manager;
 - ff) All bidders must be notified in writing and submit their intentions to abide by the terms and conditions and participate further in the bid;
 - gg) Only those bidders who agree to the extension will be evaluated;
 - hh) Second extensions will be limited to those bidders that responded the first time.
 - ii) Once an extension is granted, proper planning has to be done to ensure that the process of evaluating and awarding bids is carried out before the expiry of a bid validity period.
 - jj) Departments are discouraged to exercise this option due to the fact that it creates the opportunity for bidders to amend their offers at the peril of the Department.
 - kk) Bidders may change the price due to changes or unforeseen circumstances. Reasons must be supplied by the bidder for the above and when considering these changes, the Department must make sure that justice and fairness to the other bidders are not sacrificed.
 - ll) If the escalation of prices for which provision is not already made in the bid documents, is regarded reasonable, it may be taken into account.

mm) If a bidder should reduce his bid price, the reduction may be considered only if the bidder would have been the successful bidder without the reduction in any case. The case must be evaluated at the original price that he bid and if successful, is accepted at the reduced price.

h) Samples

- i) Where samples are called for in the bid documents, samples (marked with the bid and item number as well as the bidder's name and address) shall be delivered separately (to the bid) to the addressee mentioned in the bid documents by no later than the closing time of the bid.
- ii) Bids may not be included in parcels containing samples.
- iii) If samples are not submitted as required in the bid documents, then the bid concerned may be declared invalid.
- iv) Samples shall be supplied by a bidder at his/her own expense and risk. Saldanha Bay Municipality shall not be obliged to pay for such samples or compensate for the loss thereof, unless otherwise specified in the bid documents, and shall reserve the right to return such samples or to dispose of them at its own discretion.
- v) If a bid is accepted for the supply of goods according to a sample submitted by the bidder, that sample will become the contract sample. All goods/materials supplied shall comply in all respects to that contract sample.

i) Invalid Bids

- a) Bids shall be invalid, and shall be endorsed and recorded as such in the bid opening record by the responsible official appointed by the Manager: SCM to open the bid, in the following instances;
 - i) if the bid is not sealed;
 - ii) if the bid is not completed in non-erasable ink;
 - iii) if, in a two-envelope system, the bidder fails to submit both a technical proposal and a separate financial offer/bid.

j) Bid Sum

- i) A bid will not necessarily be invalidated if the amount in words and the amount in figures do not correspond, in which case the amount in words shall be read out at the bid opening.

23. Negotiations with preferred bidders

- 1) The accounting officer may negotiate the final terms of a contract with bidders identified through a competitive bidding process as preferred bidders, provided that such negotiation –
 - a) does not allow any preferred bidder a second or unfair opportunity;
 - b) is not to the detriment of any other bidder; and
 - c) does not lead to a higher price than the bid as submitted.
- 2) Minutes of such negotiations must be kept for record purposes.

24. Two-stage (Prequalification) bidding process versus Two Envelope System

Two-stage bidding process

- 1) In a two-stage (prequalification) bidding process, bidders are first invited to prequalify in terms of predetermined criteria, without being required to submit detailed technical proposals (where applicable) or a financial offer;
- 2) A two-stage bidding process is allowed for –
 - a) large complex projects;
 - b) projects where it may be undesirable to prepare complete detailed technical specifications;
or
 - c) long term projects with a duration period exceeding three years.
- 3) In the first stage technical proposals on conceptual design or performance specifications should be invited, subject to technical as well as commercial clarifications and adjustments.
- 4) In the second stage final technical proposals and priced bids should be invited.
- 5) Once the bidders have prequalified for a particular project, they shall be given not less than 7 days to submit a final technical proposal (where applicable and/or a financial offer).
- 6) Functionality criteria, weight of each criteria and minimum score etc. must be clearly indicated in the tender document.
- 7) Evaluation criteria in terms of preference must be aligned with Preferential Procurement Policy.

Two envelope system

- 1) A two envelope system differs from a two-stage (prequalification) bidding process in that a technical proposal and the financial offer are submitted in separate envelopes at the same place and time. The financial offers will only be opened once the technical proposals have been evaluated. The unclosed financial offers will be returned to bidders along with the notification of the decision of the Bid Adjudication Committee.

25. Committee system for competitive bids

- 1) A committee system for competitive bids is hereby established, consisting of the following committees for each procurement or cluster of procurements as the accounting officer may determine:
 - a) a bid specification committee;
 - b) a bid evaluation committee; and
 - c) a bid adjudication committee;
- 2) The accounting officer appoints the members of each committee, taking into account section 117 of the Act; and

- 3) A neutral or independent observer, appointed by the accounting officer, must attend or oversee a committee when this is appropriate for ensuring fairness and promoting transparency.
- 4) The committee system must be consistent with –
 - a) paragraph 26, 27 and 28 of this Policy; and
 - b) any other applicable legislation.
- 5) The accounting officer may apply the committee system to formal written price quotations.

26. Bid specification committees

- 1) A bid specification committee must compile the specifications for each procurement of goods or services by the Saldanha Bay Municipality.
- 2) Specifications –
 - a) must be drafted in an unbiased manner to allow all potential suppliers to offer their goods or services;
 - b) must take account of any accepted standards such as those issued by South African Bureau of Standards, the International Standards Organisation, or an authority accredited or recognised by the South African National Accreditation System with which the equipment or material or workmanship should comply;
 - c) must, where possible, be described in terms of performance required rather than in terms of descriptive characteristics for design;
 - d) may not create trade barriers in contract requirements in the forms of specifications, plans, drawings, designs, testing and test methods, packaging, marking or labelling of conformity certification;
 - e) must include functionality, if applicable;
 - f) must include green, innovative and energy saving initiatives, if reasonable;
 - g) may not make reference to any particular trade mark, name, patent, design, type, specific origin or producer unless there is no other sufficiently precise or intelligible way of describing the characteristics of the work, in which case such reference must be accompanied by the word “equivalent”;
 - h) must indicate each specific goal for which points may be awarded in terms of the points system set out in the Preferential Procurement Policy;
 - i) must be approved by the accounting officer or delegated official prior to publication of the invitation for bids in terms of paragraph 21 of this Policy;
 - j) the following information must be submitted by the Manager: Budgeting prior to the public advertisement of all bids (all applicable taxes included):
 - i) Proof that budgetary provision exists for procurement of the goods, services and/or infrastructure projects;
 - ii) Any ancillary budgetary implications related to the bid, for example, if the project is for the acquisition of a municipal asset, does budgetary provision exist for the operation of the asset, maintenance costs relating to the asset, administration costs and rehabilitation/renewal costs; and
 - iii) Any multi-year budgetary implications, for example, if a project will take more than one financial year, the estimated expenditure per financial year. Goods, services and/or infrastructure projects for all bids (all applicable taxes included) may only be advertised after the Manager: Budgeting has verified in writing that budgetary provision exists for the commencement of the particular project.

- 3) A bid specification committee must be composed of one or more officials of the Saldanha Bay Municipality preferably the manager responsible for the function involved, and may, when appropriate, include external and/or internal specialist advisors.
- 4) No person, advisor or corporate entity involved with the bid specification committee, or director of such a corporate entity, may bid for any resulting contracts.

27. Bid evaluation committees

- 1) A bid evaluation committee must –
 - a) evaluate bids in accordance with –
 - i) the specifications for a specific procurement; and
 - ii) the points system set out in terms of paragraph 26(2)(h).
 - b) evaluate each bidder's ability to execute the contract;
 - c) check in respect of the recommended bidder whether municipal rates and taxes and municipal service charges are not in arrears, and;
 - d) submit to the adjudication committee a report and recommendations regarding the award of the bid or any other related matter.
- 2) A bid evaluation committee must as far as possible be composed of-
 - a) officials from departments requiring the goods or services; and
 - b) at least one supply chain management practitioner of the Saldanha Bay Municipality.
- 3) Bid Evaluation
 - a) The responsible contract owner and/or manager shall carry out a preliminary evaluation of all valid bids received and shall submit a bid evaluation report to the Bid Evaluation Committee for consideration.
 - b) Any evaluation of a bid shall consider the bids received and shall note for inclusion in the evaluation report, a bidder:
 - i) whose bid does not comply with the provisions of Section 37 of this Policy;
 - ii) whose bid does not comply with the provisions of Section 13 of this Policy;
 - iii) whose bid is not in compliance with the specification;
 - iv) whose bid is not in compliance with the terms and conditions of the bid documentation;
 - v) whose bid does not comply with any minimum goals stipulated in terms of Saldanha Bay Municipality's Preferential Procurement Policy;
 - vi) who is not registered and verified on the Central Supplier Database. In this regard bid documentation shall state that the responsibility for registration and verification rests solely with the bidder;
 - vii) who, in the case of construction works acquisitions, does not comply with the requirements of the Construction Industry Development Board Act regarding registration of contractors. Verification of compliance with this requirement shall be by means of CIDB and Central Supplier Database (if possible); and
 - viii) who fails to comply with any applicable Bargaining Council agreements.
 - c) The SCM official responsible for scheduling of Bid Evaluation Committee meetings must verify the above SCM compliance check as per bid evaluation committee checklist and the chairperson of the committee must sign off on the latter.
 - d) Bids shall be evaluated according to the following as applicable:
 - i) bid price (corrected if applicable and brought to a comparative level where necessary),

- ii) the unit rates and prices,
 - iii) the bidder's ability to fulfil its obligations in terms of the bid documents,
 - iv) any qualifications to the bid,
 - v) the bid ranking obtained in respect of Preferential Procurement as required by Saldanha Bay Municipality's Preferential Procurement Policy,
 - vi) the financial standing of the bidder, including its ability to furnish the required institutional guarantee, where applicable,
 - vii) the chairperson of the Bid Evaluation Committee will sign off on the BEC checklist after verification of all applicable matters,
 - viii) any other criteria specified in the bid documents.
- d) The Bid Evaluation Committee shall check in respect of the recommended bidder whether municipal rates and taxes and municipal service charges are not in arrears.
 - e) The evaluation of bids on an equitable basis may be considered during the evaluation process.
 - f) Additional information or clarification of bids may be called for if required, but only in writing.
 - g) Alternative bids may be considered, provided that a bid free of qualifications and strictly in accordance with the bid documents is also submitted. Saldanha Bay Municipality shall not be bound to consider alternative bids.
 - h) If a bidder requests in writing, after the closing of bids, that his/her bid be withdrawn, then such a request may be considered and reported in the bid evaluation report.
 - i) All disclosures of conflict of interest shall be considered by the Bid Evaluation Committee and if the conflict of interest is of a material nature, this shall be reported to the Bid Adjudication Committee.
 - j) All contracts may only be recommended for award to the preferred bidder after the Manager: Budgeting has verified in writing that budgetary provision exists for the acquisition of the goods, infrastructure projects and/or services.
- 4) In the cases where functionality is deemed necessary and is included in the bidding document, the accounting officer or applicable director must appoint the three independent evaluators for the technical evaluation (test for functionality) in writing and the appointment letters must be provided to the SCM office for audit purposes.

28. Bid adjudication committees

General

- 1) Saldanha Bay Municipality shall not be obliged to accept any bid.
- 2) For goods and service bids, Saldanha Bay Municipality shall have the right to accept the whole bid or part of the bid or any item or part of an item or accept more than one bid.

Bid Adjudication Committee

- 3) A bid adjudication committee must –
 - a) consider the report and recommendations of the bid evaluation committee; and
 - b) either –
 - i) depending on its delegations, make a final award or a recommendation to the accounting officer to make the final award; or

- ii) make another recommendation to the accounting officer how to proceed with the relevant procurement.
- 4) A bid adjudication committee must consist of at least four senior managers of the Saldanha Bay Municipality, which must include –
 - a) the chief financial officer or, if the chief financial officer is not available, another manager in the budget and treasury office reporting directly to the chief financial officer and designated by the chief financial officer;
 - b) at least one senior supply chain management practitioner who is an official of the Saldanha Bay Municipality; and
 - c) a technical expert in the relevant field who is an official, if such an expert exists.
 - 5) The accounting officer must appoint the chairperson of the committee. If the chairperson is absent from a meeting, the members of the committee who are present must elect one of them to preside at the meeting.
 - 6) Neither a member of a bid evaluation committee, nor an advisor or person assisting the evaluation committee, may be a member of a bid adjudication committee.
 - 7) The Bid Adjudication Committee will be open to the public and the committee will be conducted in terms of the Guide and Rules of Order for Bid Committees.
 - 8) Awarding a bid to another service provider:
 - a) If the bid adjudication committee decides to award a bid other than the one recommended by the bid evaluation committee, the bid adjudication committee must prior to awarding the bid–
 - i) check in respect of the preferred bidder whether that bidder’s municipal rates and taxes and municipal service charges are not in arrears,
 - ii) check whether bidder comply with Bid Evaluation paragraph 27(3), and
 - iii) notify the accounting officer.
 - b) The accounting officer may –
 - i) after due consideration of the reasons for the deviation, ratify or reject the decision of the bid adjudication committee referred to in paragraph (a); and
 - ii) if the decision of the bid adjudication committee is rejected, refer the decision of the adjudication committee back to that committee for reconsideration.
 - 9) The accounting officer may at any stage of a bidding process, refer any recommendation made by the evaluation committee or the adjudication committee back to that committee for reconsideration of the recommendation.
 - 10) The accounting officer must comply with section 114 of the Act within 10 working days.
 - 11) Cancellation of bids:
 - a) An organ of state may, before the award of a tender, cancel a tender invitation if-
 - i) due to changed circumstances, there is no longer a need for the goods or services specified in the invitation;
 - ii) funds are no longer available to cover the total envisaged expenditure;
 - iii) no acceptable tender is received; or
 - iv) there is a material irregularity in the tender process.

- b) If it becomes necessary to cancel or re-advertise formal bids, then a report to this effect shall be submitted to the Bid Adjudication Committee or Accounting Officer, depending on the threshold, for decision.
- c) If bids have been cancelled, then all bidders must be notified by the relevant department in writing.

12) Right of Appeal

- a) In terms of Section 62 of the Systems Act, a person whose rights are affected by a decision taken by the Saldanha Bay Municipality, in terms of a delegated authority, in the implementation of its supply chain management system, may appeal against that decision by giving written notice of the appeal and reasons to the appeal authority within 21 days of the date of receipt of the notification of the decision.
- b) Bid documents must state that any appeal in terms of this clause must be submitted to the appeal authority at the address stated, and must contain the following:
 - i) reasons and/or grounds for the appeal;
 - ii) the way in which the appellant's rights have been affected; and
 - iii) the remedy sought by the appellant.
- c) No bid shall be formally accepted until either the expiry of the 21 day appeal period, or confirmation in writing before the expiry of the 21 day appeal period that none of the affected parties intend to appeal, or confirmation of the satisfactory resolution of any appeals.

13) Notification of Decision

- a) If the Bid Adjudication Committee or other delegated official has resolved that a bid be accepted, the successful and unsuccessful bidders shall be notified in writing of this decision.
- b) The successful bidder shall, in addition, be advised of the 21 day appeal period, and be notified that no rights accrue to him/her until the bid is formally accepted in writing.
- c) Every notification of decision shall be faxed or sent via electronic mail to the address chosen by the bidder, with a copy of proof of transmission kept for record purposes, or shall be delivered by hand, in which case acknowledgement of receipt must be signed and dated on a copy of such notification and kept for record purposes.

29. Procurement of banking services

- 1) A contract for banking services:
 - a) must be procured through competitive bids;
 - b) must be consistent with section 7 or 85 of the Act; and
 - c) may not be for a period of more than five years at a time.
- 2) The process for procuring a contract for banking services must commence at least nine months before the end of an existing contract.
- 3) The closure date for the submission of bids may not be less than 60 days from the date on which the advertisement is placed on ePortal and in a newspaper in terms of paragraph 21(1). Bids must be restricted to banks registered in terms of the Banks Act, 1990 (Act No. 94 of 1990).

30. Procurement of IT related goods or services

- 1) The accounting officer may request the State Information Technology Agency (SITA) to assist with the acquisition of IT related goods or services through a competitive bidding process.
- 2) Both parties must enter into a written agreement to regulate the services rendered by, and the payments to be made to, SITA.
- 3) The accounting officer must notify SITA together with a motivation of the IT needs if –
 - a) the transaction value of IT related goods or services required in any financial year will exceed R50 million (VAT included); or
 - b) the transaction value of a contract to be procured whether for one or more years exceeds R50 million (VAT included).
- 4) If SITA comments on the submission and the Saldanha Bay Municipality disagree with such comments, the comments and the reasons for rejecting or not following such comments must be submitted to the council, the National Treasury, the relevant provincial treasury and the Auditor General.

31. Procurement of goods and services under contracts secured by other organs of state

- 1) The accounting officer may procure goods or services under a contract secured by another organ of state, but only if –
 - a) the contract has been secured by that other organ of state by means of a competitive bidding process applicable to that organ of state;
 - b) there is no reason to believe that such contract was not validly procured;
 - c) there are demonstrable discounts or benefits to do so; and
 - d) that other organ of state and the provider has consented to such procurement in writing.
- 2) Subparagraphs (1)(c) and (d) do not apply if –
 - a) a municipal entity procures goods or services through a contract secured by its parent municipality; or
 - b) a municipality procures goods or services through a contract secured by a municipal entity of which it is the parent municipality.

32. Procurement of goods necessitating special safety arrangements

- 1) The acquisition and storage of goods in bulk (other than water), which necessitate special safety arrangements, including gasses and fuel, should be avoided wherever possible.
- 2) Where the storage of goods in bulk is justified, such justification must be based on sound reasons, including the total cost of ownership, cost advantages and environmental impact and must be approved by the accounting officer.

33. Proudly SA Campaign

- 1) Saldanha Bay Municipality supports the Proudly SA Campaign to the extent that, all things being equal, preference is given to procuring local goods and services from:
 - a) Firstly – suppliers and businesses within the municipality;

- b) Secondly – suppliers and businesses within the district;
- c) Thirdly – suppliers and businesses within relevant province; and
- d) Fourthly – suppliers and businesses within the Republic of South Africa.

34. Appointment of consultants

- 1) The accounting officer may procure consulting services provided that any Treasury guidelines in respect of consulting services or Construction Industry Development Board guidelines in respect of services related to the built environment and construction works are taken into account when such procurements are made.
- 2) Consultants are engaged primarily for the following reasons:
 - a) To provide specialized services for limited periods without any obligation of permanent employment;
 - b) To benefit from superior knowledge, transfer of skills and upgrading of a knowledge base while executing an assignment;
 - c) To provide independent advice on the most suitable approaches, methodologies and solutions of projects.
- 3) Consultancy services must be procured through competitive bids if -
 - a) the value of the contract exceeds R300 000 (VAT included); or
 - b) the duration period of the contract exceeds one year.
- 4) Approval to utilize external capacity must be obtained by the department in terms of the approved Cost Containment Policy of Council.
- 5) In addition to any requirements prescribed by this policy for competitive bids, bidders must furnish particulars of –
 - a) all consultancy services provided to an organ of state in the last five years; and
 - b) any similar consultancy services provided to an organ of state in the last five years.
- 6) The accounting officer must ensure that copyright in any document produced, and the patent rights or ownership in any plant, machinery, thing, system or process designed or devised, by a consultant in the course of the consultancy service is vested in the Saldanha Bay Municipality.
- 7) Where the estimated value of fees is less than R300 000 and the duration of the appointment is less than one year, any National Treasury and, where applicable, Construction Industry Development Board guidelines in respect of consulting services are taken into account.

35. Deviation from, and ratification of minor breaches of, procurement processes

- 1) The accounting officer may –
 - a) dispense with the official procurement processes established by this Policy and to procure any required goods or services through any convenient process, which may include direct negotiations, but only –
 - i) in an emergency;

- ii) if such goods or services are produced or available from a sole provider or a single source (as per definition);
 - iii) for the acquisition of special works of art or historical objects where specifications are difficult to compile;
 - iv) acquisition of animals for zoos and/or nature and game reserves; or
 - v) in any other exceptional case where it is impractical or impossible to follow the official procurement processes; and
 - vi) ad-hoc repairs to plant and equipment where it is not possible to ascertain the nature or extent of the work required in order to call for bids; and
 - vii) workshop strip and quote
- b) ratify any minor breaches of the procurement processes by an official or committee acting in terms of delegated powers or duties, which are purely of a technical nature.
- 2) The accounting officer must record the reasons for any deviations in terms of subparagraphs (1)(a) and (b) of this policy and report them to the next meeting of the council and include as a note to the annual financial statements.
- 3) Subparagraph (2) does not apply to the procurement of goods and services contemplated in paragraph 11(2) of this policy.
- 4) All identified possible unauthorized, irregular and fruitless and wasteful expenditure must be referred to the Municipal Public Accounts Committee (MPAC) investigation and the MPAC makes recommendations to Council with the exception of minor breaches ratified by the accounting officer.
- 5) The following will be deemed not to be deviations from SCM processes:
- i) Advertisements that are placed in National Government and Provincial Government Gazettes.
 - ii) Vehicles serviced by the agent in terms of the warranty or service plan of the vehicle as well as any other repairs or maintenance that is identified when the vehicle is being serviced by an agent in terms of the warranty or service plan of the vehicle.
 - iii) The acquisition of services of medical specialists as may be required from time to time and in terms of the Pension Funds Amendment Act, Act 65 of 2001 and related regulations and amendments.
 - iv) Any machinery or other equipment serviced by the agent in terms of the warranty or service plan of that machinery or equipment.
 - v) The procurement of newspapers for municipal libraries and other municipal offices.
 - vi) The acquisition of driving license cards from the service provider officially appointed by the National Department of Transport to issue such cards.
 - vii) Pauper burials and cremations.
- 6) The abovementioned must be included in the SCM report that is submitted on a monthly basis to Council.

36. Unsolicited bids

- 1) In accordance with section 113 of the Act there is no obligation to consider unsolicited bids received outside a normal bidding process.

- 2) The accounting officer may decide in terms of section 113(2) of the Act to consider an unsolicited bid, only if –
 - a) the product or service offered in terms of the bid is a demonstrably or proven unique innovative concept;
 - b) the product or service will be exceptionally beneficial to, or have exceptional cost advantages;
 - c) the person who made the bid is the sole provider of the product or service; and
 - d) the reasons for not going through the normal bidding processes are found to be sound by the accounting officer.
- 3) If the accounting officer decides to consider an unsolicited bid that complies with subparagraph (2) of this policy, the decision must be made public in accordance with section 21A of the Municipal Systems Act, together with –
 - a) reasons as to why the bid should not be open to other competitors;
 - b) an explanation of the potential benefits if the unsolicited bid were accepted; and
 - c) an invitation to the public or other potential suppliers to submit their comments within 30 days of the notice.
- 4) The accounting officer must submit all written comments received pursuant to subparagraph (3), including any responses from the unsolicited bidder, to the National Treasury and the relevant provincial treasury for comment.
- 5) The adjudication committee must consider the unsolicited bid and may award the bid or make a recommendation to the accounting officer, depending on its delegations.
- 6) A meeting of the adjudication committee to consider an unsolicited bid must be open to the public.
- 7) When considering the matter, the adjudication committee must take into account –
 - a) any comments submitted by the public; and
 - b) any written comments and recommendations of the National Treasury or the relevant provincial treasury.
- 8) If any recommendations of the National Treasury or provincial treasury are rejected or not followed, the accounting officer must submit to the Auditor General, the relevant provincial treasury and the National Treasury the reasons for rejecting or not following those recommendations.
- 9) Such submission must be made within seven days after the decision on the award of the unsolicited bid is taken, but no contract committing the Saldanha Bay Municipality to the bid may be entered into or signed within 30 days of the submission.

37. Combating of abuse of supply chain management system

- 1) The accounting officer must–
 - a) take all reasonable steps to prevent abuse of the supply chain management system;

- b) investigate any allegations against an official or other role player of fraud, corruption, favouritism, unfair or irregular practices or failure to comply with this Policy, and when justified –
 - i) take appropriate steps against such official or other role player; or
 - ii) report any alleged criminal conduct to the South African Police Service;
 - c) reject any bid from a bidder–
 - i) if any municipal rates and taxes or municipal service charges owed by that bidder or any of its directors to the Saldanha Bay Municipality or to any other municipality or municipal entity, are in arrears for more than three months; or
 - ii) who during the last five years has failed to perform satisfactorily on a previous contract with the Saldanha Bay Municipality or any other organ of state after written notice was given to that bidder that performance was unsatisfactory;
 - d) reject a recommendation for the award of a contract if the recommended bidder, or any of its directors, has committed a corrupt or fraudulent act in competing for the particular contract;
 - e) cancel a contract awarded to a person if –
 - i) the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract; or
 - ii) an official or other role player committed any corrupt or fraudulent act during the bidding process or the execution of the contract that benefited that person; and
 - f) reject the bid of any bidder if that bidder or any of its directors –
 - i) has abused the supply chain management system of the Saldanha Bay Municipality or has committed any improper conduct in relation to such system;
 - ii) has been convicted for fraud or corruption during the past five years;
 - iii) has wilfully neglected, reneged on or failed to comply with any government, municipal or other public sector contract during the past five years; or
 - iv) has been listed in the Register for Tender Defaulters in terms of section 29 of the Prevention and Combating of Corrupt Activities Act (No 12 of 2004).
- 2) The accounting officer must appoint an independent official or external service provider (depending on the circumstances) to investigate findings against a bidder or contractor, its shareholders and directors, or only shareholders and directors;
 - i) The bidder or person will be disqualified from the bidding process;
 - ii) The Municipality must recover all costs; losses or damages it has suffered as a result of that person's conduct;
 - iii) The Municipality will cancel the contract and claim any damages which it has suffered as a result of having to make less favourable arrangements due to such cancellations;
 - iv) The Municipality will restrict the bidder or contractor, its shareholders and directors, or only the shareholders and directors who acted on a fraudulent basis from obtaining the contract/ bid; and
 - v) The matter will be forwarded for criminal prosecution.
 - 3) The accounting officer must inform the National Treasury and relevant provincial treasury in writing of any actions taken in terms of subparagraphs (1)(b)(ii), (e) or (f) of this policy.
 - 4) The Accounting Officer may invalidate recommendations or decisions that were unlawfully or improperly made, taken or influenced, including recommendations or decisions that were made, taken or in any way influenced by:

- a) councillors in contravention of item 5 or 6 of the Code of Conduct for Councillors in schedule 1 of the Systems Act (Annexure D); or
- b) municipal officials in contravention of item 4 or 5 of the Code of Conduct for Municipal Staff Members set out in schedule 2 of the Systems Act (Annexure E).

Part 3: Logistics, Disposal, Risk and Performance Management

38. Logistics management

The accounting officer must establish and implement an effective system of logistics management, which must include –

- a) the monitoring of spending patterns on types or classes of goods and services incorporating, where practical, the coding of items to ensure that each item has a unique number;
- b) the setting of inventory levels that includes minimum and maximum levels and lead times wherever goods are placed in stock;
- c) the placing of manual or electronic orders for all acquisitions other than those from petty cash;
- d) before payment is approved, certification by the responsible officer that the goods and services are received or rendered on time and is in accordance with the order, the general conditions of contract and specifications where applicable and that the price charged is as quoted in terms of a contract;
- e) appropriate standards of internal control and warehouse management to ensure that goods placed in stores are secure and only used for the purpose for which they were purchased;
- f) regular checking to ensure that all assets including official vehicles are properly managed, appropriately maintained and only used for official purposes; and
- g) monitoring and review of the supply vendor performance to ensure compliance with specifications and contract conditions for particular goods or services.

39. Disposal management

- 1) To give effect to:
 - a) Regulation 40 of the Supply Chain Management Regulations which requires an effective system for the disposal or letting of assets including unserviceable, redundant or obsolete assets,
 - b) the Municipal Asset Transfer Regulations, and

Subject to sections 14 and 90 of the Municipal Finance Management Act (MFMA) and any other applicable legislation.

- 2) The disposal of assets must–
 - a) be by one of the following methods –
 - i) transferring the asset to another organ of state in terms of a provision of the Act enabling the transfer of assets;
 - ii) transferring the asset to another organ of state at market related value or, when appropriate, free of charge;
 - iii) selling the asset; or
 - iv) destroying the asset;
 - b) provided that –
 - i) immovable property may be sold only at market related prices except when the public interest or the plight of the poor demands otherwise;

- ii) movable assets may be sold either by way of formal written price quotations, a competitive bidding process, auction or at market related prices, whichever is the most advantageous;
- iii) in the case of the free disposal of computer equipment, the provincial department of education must first be approached to indicate within 30 days whether any of the local schools are interested in the equipment; and
- iv) in the case of the disposal of firearms, the National Conventional Arms Control Committee has approved any sale or donation of firearms to any person or institution within or outside the Republic;
- c) furthermore ensure that –
 - i) immovable property is let at market related rates except when the public interest or the plight of the poor demands otherwise; and
 - ii) all fees, charges, rates, tariffs, scales of fees or other charges relating to the letting of immovable property are annually reviewed; and ensure that where assets are traded in for other assets, the highest possible trade-in price is negotiated.

40. Risk management

- 1) The criteria for the identification, consideration and avoidance of potential risks in the supply chain management system in accordance with Risk Management Policy of Saldanha Bay Municipality, are as follows:
- 2) Risk management must include –
 - a) the identification of risks on a case-by-case basis;
 - b) the allocation of risks to the party best suited to manage such risks;
 - c) acceptance of the cost of the risk where the cost of transferring the risk is greater than that of retaining it;
 - d) the management of risks in a pro-active manner and the provision of adequate cover for residual risks; and
 - e) the assignment of relative risks to the contracting parties through clear and unambiguous contract documentation.

41. Performance Monitoring

- 1) The accounting officer must establish and implement an internal monitoring system in order to determine, on the basis of a retrospective analysis, whether the authorised supply chain management processes were followed and whether the objectives of this Policy were achieved.
- 2) Performance management shall accordingly be characterised by a monitoring process and retrospective analysis to determine whether:
 - a) value for money has been attained;
 - b) proper processes have been followed;
 - c) desired objectives have been achieved;
 - d) there is an opportunity to improve the process;
 - e) suppliers have been assessed and what that assessment is; and
 - f) there has been deviation from procedures and, if so, what the reasons for that deviation are.

Part 4: Other matters

42. Ethical standards

- 1) A code of ethical standards as set out in [subparagraph (2) / the “*National Treasury’s code of conduct for supply chain management practitioners and other role players involved in supply chain management*” is hereby established for officials and other role players in the supply chain management system of the Saldanha Bay Municipality in order to promote-
 - a) mutual trust and respect; and
 - b) an environment where business can be conducted with integrity and in a fair and reasonable manner.

- 2) An official or other role player involved in the implementation of this Policy–

 - b) by the accounting officer must be made to the mayor of the municipality who must ensure that such declarations are recorded in the register.

- 4) The National Treasury’s code of conduct must be adhered to by supply chain management practitioners and other role players involved in supply chain management.

- 5) A breach of the code of ethics must be dealt with as follows (schedule 2 of the Systems Act) -
 - a) in the case of an employee, in terms of the disciplinary procedures of the Saldanha Bay Municipality envisaged in section 67(1)(h) of the Municipal Systems Act;

- b) in the case a role player who is not an employee, through other appropriate means in recognition of the severity of the breach.
- c) in all cases, financial misconduct must be dealt with in terms of chapter 15 of the Act.
- d) all cases of non-compliance to this Policy should be reported to the Accounting Officer.

43. Inducements, rewards, gifts and favors to municipalities, officials and other role players

- 1) No person who is a provider or prospective provider of goods or services, or a recipient or prospective recipient of goods disposed or to be disposed of may either directly or through a representative or intermediary promise, offer or grant –
 - a) any inducement or reward to the Saldanha Bay Municipality for or in connection with the award of a contract; or
 - b) any reward, gift, favour or hospitality to –
 - i) any official; or
 - ii) any other role player involved in the implementation of this Policy.
- 2) The accounting officer must promptly report any alleged contravention of subparagraph (1) to the National Treasury for considering whether the offending person, and any representative or intermediary through which such person is alleged to have acted, should be listed in the National Treasury's database of persons prohibited from doing business with the public sector.
- 3) Subparagraph (1) does not apply to gifts less than R 350 in value.

44. Sponsorships

The accounting officer must promptly disclose to the National Treasury and the relevant provincial treasury any sponsorship promised, offered or granted, whether directly or through a representative or intermediary, by any person who is –

- a) a provider or prospective provider of goods or services; or
- b) a recipient or prospective recipient of goods disposed or to be disposed.

45. Objections and complaints

Persons aggrieved by decisions or actions taken in the implementation of this supply chain management system, may lodge within 14 days of the decision or action, a written objection or complaint against the decision or action.

46. Resolution of disputes, objections, complaints and queries

- 1) The accounting officer may, if deemed so, appoint an independent and impartial person, not directly involved in the supply chain management processes –
 - a) to assist in the resolution of disputes between the Saldanha Bay Municipality and other persons regarding-
 - i) any decisions or actions taken in the implementation of the supply chain management system; or
 - ii) any matter arising from a contract awarded in the course of the supply chain management system; or

- b) to deal with objections, complaints or queries regarding any such decisions or actions or any matters arising from such contract.
- 2) The accounting officer, or another official designated by the accounting officer, is responsible for assisting the appointed person to perform his or her functions effectively.
- 3) The person appointed must –
 - a) strive to resolve promptly all disputes, objections, complaints or queries received; and
 - b) submit monthly reports to the accounting officer on all disputes, objections, complaints or queries received, attended to or resolved.
- 4) A dispute, objection, complaint or query may be referred to the relevant provincial treasury if –
 - a) the dispute, objection, complaint or query is not resolved within 60 days; or
 - b) no response is forthcoming within 60 days.
- 5) If the provincial treasury does not or cannot resolve the matter, the dispute, objection, complaint or query may be referred to the National Treasury for resolution.
- 6) This paragraph must not be read as affecting a person's rights to approach a court at any time.

47. Contracts providing for compensation based on turnover

If a service provider acts on behalf of a Saldanha Bay Municipality to provide any service or act as a collector of fees, service charges or taxes and the compensation payable to the service provider is fixed as an agreed percentage of turnover for the service or the amount collected, the contract between the service provider and the Saldanha Bay Municipality must stipulate –

- a) a cap on the compensation payable to the service provider; and
- b) that such compensation must be performance based.

48. Contracts Having Budgetary Implications beyond Three Financial Years

Saldanha Bay Municipality may not enter into any contract that will impose financial obligations beyond the three years covered in the annual budget for that financial year, unless the requirements of section 33 of the Municipal Finance Management Act have been fully complied with.

49. Contract administration and management

- 1) Line departments are fully responsible for contract administration and management.
- 2) Contract administration includes all administrative duties associated with a contract that has arisen through one of the acquisition/procurement processes described in this policy or an Act.
- 3) All contracts must be monitored, managed and administered by the contract owner and/or contract manager.
- 4) The contract manager will typically be the internal project manager assigned to the project as a whole, but may also be a cost centre owner or other responsible official.

- 5) A contract owner and manager must be assigned to each contract and, where possible, should be involved from the earliest stages of the acquisition process.
- 6) The contract manager's duties and powers shall be governed by the conditions of contract and the general law.
- 7) In administering a contract, the contract manager will be required to form opinions and make decisions which, while in the Municipality's best interests, must be fair to all parties concerned.
- 8) Departmental Heads (Directors) shall be responsible for ensuring that contract owners and managers-
 - a) are assigned to all contracts within the Department Head's area of responsibility; and
 - b) are adequately trained so that they can exercise the necessary level of responsibility in the performance of their duties.
- 9) The contract owner and/or manager must:
 - a) ensure that all the necessary formalities in signing up of legally sound contracts and/or issuing the purchase order(s) are adhered to related to goods and services, excluding CIDB tenders;
 - b) ensure that legally sound contracts for goods, services and CIDB related procurement are provided to SCM who will obtain the signature of the accounting officer;
 - c) ensure that all original contract documentation is lodged with the Supply Chain Management Department for record purposes;
 - d) monitor the performance of the contractor in order to ensure that all of the terms and conditions of the contract are met;
 - e) where necessary, take appropriate action where a contractor is underperforming or is in default or breach of the contract;
 - f) present proof of information in paragraph (e) or submit a report with relevant proof of the breaches of the contract to the Senior Manager: Legal Services and Manager: Supply Chain Management for initiating appropriate action if remedies addressed in agreement with the contractor or service provider cannot be resolved;
 - g) where appropriate, authorise payments due in terms of the contract by processing payment certificates (if applicable),
 - h) manage contract variations or change procedures;
 - i) administer disputes where necessary, in terms of this policy and the applicable Conditions of Contract;
 - j) conduct, if necessary, post contract reviews;
 - k) maintain adequate records (paper and/or electronic) in sufficient detail on an appropriate contract file to provide an audit trail;
 - l) act with care and diligence and observe all accounting and legal requirements;
 - m) complete and update the contracts registered on the i-Tender systems as required;
 - n) report non-performance and non-compliance of contractors to the CIDB as per the CIDB guidelines;
 - o) maintain all aspects required, if applicable, in terms of the CIDB regulations and guidelines; and
 - p) periodically review contracts or agreements once every three years in the case of a contract or agreement awarded for longer than three years and provide a report to SCM in compliance with Section 116(1)(b)(iii) of the MFMA.

- 10) The Supply Chain Management officials must:
- a) provide all contracts for tenders awarded to the accounting officer for signature;
 - b) register the award or cancellation of all CIDB related contracts within 21 days of the signing of the contract in terms of Regulation 18 of the CIDB Regulations on the website of the CIDB and ePortal (if applicable);
 - c) register the award or cancellation of all contracts for goods and service within 21 days of the signing of the contract on the ePortal;
 - d) file proof of registration on CIDB for audit purposes; and
 - e) file proof of registration on ePortal for audit purposes.

50. Performance Management

- 1) In the case of goods and services supplied in response to a quotation or deviation invited by the section of the Municipality which requested the goods or service must certify on the supplier's invoice that the goods or service had been supplied in accordance with the Municipality's requirements before payment is made.
- 2) The appointed contract manager which required the goods or a service in terms of a competitive bidding process must ensure that the goods had been delivered or the service completed according to the Municipality's quality and other requirements as specified in the relevant bid documentation.
- 3) In the case of goods or services procured through a tender process as specified in terms of paragraph 18 of this Policy, the Director must provide a written report on a monthly basis on all bids awarded, whether it is a progress report or a report of completion per supplier per tender before the 10th working day of each month.
- 4) The monthly report must include items listed in paragraph 49(9) in terms of-
 - a) whether or not the performance of the supplier was satisfactory in terms of adherence to specifications and delivery or completion schedules,
 - b) level of product or service quality and/or quality of workmanship;
 - c) details, supported by copies of any written notifications regarding service delivery given to the supplier;
