

SBM 'We Care' Residential Recycling Service Here's how to join in and recycle

Over 2000 Langebaan residents are already recycling. To join in, collect your clear bags (x 2) from the municipal office in Bree Street (during office hours). Then during the week, fill your bag with plastic, paper, glass bottles and cans and put it out on Wednesdays, next to your refuse bin.

The municipality's recycling contractor will pick it up, leave a new bag for you and take your recyclables for sorting and reprocessing into new products again. See below how much has already been recycled so far by Langebaan residents and what good things can be done with it all.

Holiday Visitors

Get your free bags to start recycling from the Langebaan municipal office in Bree Street (office hours).

For more information and a downloadable information leaflet on how and what to recycle, go to: www.sbm.gov.za
