### Join in and get sorted for recycling

Clear recycling bags are available free from the municipal offices at IPIC Centre, Main Road, Vredenburg and at Langebaan municipal offices – bring your rates account along too.

On refuse collection day, put your clear bag of recyclables next to your bin and it will be swapped by the recycling collections contractor for a fresh bag to hold the following week's recyclables.

Full details about the municipal recycling service and how to join in, are on the municipality's website at [www.sbm.gov.za](http://www.sbm.gov.za) - click on the 'Recycle' icon at the bottom of the homepage.

### Helpful hints:

- Recycle all paper, tins, plastic and glass bottles.
- Flatten cardboard boxes and place beside wheelee-bin.
- Garden refuse, as well as used containers for motor oil, paints, solvents or other hazardous chemicals can be taken for proper disposal to the Vredenburg landfill site.

**Get into the recycling routine at home.** Create jobs for our local community, save energy and resources, and lengthen the life of our landfill.

**Holiday property owners and agents:** Please share this important information with your tenants and visitors.
