

Join the municipal free weekly recycling collection service. One out of every three households are already participating!

Saldanha Bay Municipality provides free weekly door-to-door recycling collection services to residents of Langebaan, Vredenburg, Paternoster, Jacobsbaai and Hopefield. Soon the service will be extended to Saldanha and St Helena Bay.

**Amount of recyclable materials collected from households
from October 2016 to July 2018: 1,149 tons
Number of jobs for local people created: 46**

Household Participation Rates:

Vredenburg	-	20%
Jacobsbaai	-	51%
Langebaan	-	47%
Paternoster	-	22%
Hopefield	-	26%
SBM Participation	-	34%

Join in and get sorted for recycling

Clear recycling bags are available free from the municipal offices at IPIC Centre, Main Road, Vredenburg and at Langebaan municipal offices – bring your rates account along too.

Then on refuse collection day, when you put your clear bag of recyclables next to your bin, it will be swapped for a fresh bag to hold the following week's recyclables.

Full details about the municipal recycling service and how to join in, are on the municipality's website at www.sbm.gov.za - click on the 'Recycle' icon at the bottom of the homepage.

Helpful hints:

- Recycle all paper, tins, plastic and glass bottles.
- Flatten cardboard boxes and place beside wheelie-bin.
- Garden refuse, as well as used containers for motor oil, paints, solvents or other hazardous chemicals can be taken for proper disposal to the Vredenburg landfill site.

Get into the recycling routine at home. Create jobs for our local community, save energy and resources, and lengthen the life of our landfill.

Holiday property owners and agents: Please share this important information with your tenants and visitors.
