

10 REDUCED INEQUALITIES

TARGETS

- Progressively achieve and sustain income growth of the bottom 40 per cent of the population at a rate higher than the national average.
- Empower and promote the social, economic and political inclusion of all.
- Ensure equal opportunity and reduce inequalities of outcome.
- Adopt policies, especially fiscal, wage and social protection policies, and progressively achieve greater equality.
- Improve the regulation and monitoring of global financial markets and institutions.
- Ensure enhanced representation and voice for developing countries in decision-making in global international economic and financial institutions.
- Facilitate orderly, safe, regular and responsible migration and mobility of people.
- Implement the principle of special and differential treatment for developing countries.
- Encourage official development assistance and financial flows.
- Reduce to less than 3 per cent the transaction costs of migrant remittances and eliminate remittance corridors with costs higher than 5 per cent.
