

2 ZERO HUNGER

TARGETS

- End hunger and ensure access by all people to safe, nutritious and sufficient food all year round.
- End all forms of malnutrition.
- Double the agricultural productivity and incomes of small-scale food producers, through secure and equal access to land.
- By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production.
- Maintain the genetic diversity of seeds, cultivated plants and farmed and domesticated animals and their related wild species.
- Increase investment, including through enhanced international cooperation, in rural infrastructure, agricultural research and extension services, technology development and plant and livestock gene banks.
- Correct and prevent trade restrictions and distortions in world agricultural markets.
- Adopt measures to ensure the proper functioning of food commodity markets and their derivatives.
